

Advanced Solutions for a Brighter Future

DOCUJET 4321 / 4319
Smart features for different workspace

Whatever the needs and wants in the office, the DOCUJET offers suitable solutions for every demand – versatile products for professional office requirements. The DOCUJET 4321 takes care of almost any every-day office job, leaving everyone in the team more time for their proper tasks. As a true multifunctional, the DOCUJET 4321 prints and copies with a speed of 19/21 ppm, scan in color, and fax* – all in A4 and A3 size. Thanks to its small footprint, there is room for the compact DOCUJET 4321 even in a crowded office. Simply everything the office needs!

DocuJet 4321

- Data is stored in colour for more accurate information sharing.
- Colour scanning capability allows for storing and sharing data in colour.
- Data can be quickly transferred without a PC.
- The Scan to USB function (DOCUJET 4321 only) speeds physical data transfer by storing scans directly onto a USB memory stick, eliminating the need for a PC or server.
- Scans two sides in one pass, dramatically reducing operating time and costs.
- Offers both duplex scanning and printing reduce waiting and save power - Note: Both ADFR and Duplex are optional.

DOCUJET 4321 / 4319

Whatever the needs and wants in the office, the DOCUJET offers suitable solutions for every demand – versatile products for professional office requirements.

The DOCUJET 4319/4321 takes care of almost any every-day office job, leaving everyone in the team more time for their proper tasks. As a true multifunctional, the DOCUJET 4319/4321 prints and copies with a speed of 19/21 ppm, scan in color, and fax* – all in A4 and A3 size.

Thanks to its small footprint, there is room for the compact DOCUJET 4319/4321 even in a crowded office.

- Scan**
Standard Feature for 4321 model Scan to USB Flash drive (Optional high price feature available in Sharp & Ricoh models)
- Copy**
Speed up from 21 to 23-ppm when second cassette is installed (faster than Sharp & Ricoh 20-ppm model)
- Print**
Duplex scan in one pass ADF with Duplex printing (save time)
- Fax**
One touch extended panel for email & Fax (Network card must be installed for this feature) (Not available in Sharp or Ricoh model)

One-touch ID Card Copy

A simple press of a button is all it take to copy double-sided, card-sized documents.

- ID Copy function is convenient for copying small, non-standard sized documents such as IDs and drivers licenses.
- Dedicated button on control panel eliminates operation settings.

Convenient function simplifies process!
