

### General Specifications

Type	Console
Colour Support	Full-Colour
Copy Resolution	Main: 600dpi x Sub: 600dpi
Scan	Main: 1,800dpi equiv. x Sub: 600dpi
Print	266
Gradation	266
Memory Capacity (Std. / Max.)	2GB / 3GB (1GB Extend Memory Option)
HDD	250GB Std.
Original Type	Sheets, Backs, Objects
Max. Original Size	A3 (11" x 17")
Output Size	A3 Wide, A3 to A5, B6 Lengthwise, A6 Lengthwise
Image Loss	Thick Paper, Long Length Paper (210 x 457mm - 297 x 1,200mm) Max. 4.2mm or less for top edge, Max. 3.0mm or less for bottom edge, Max. 3.0mm or less for right/left edges
Warm - Up Time (main power on / subpower off)	C2210: 22 sec / Colour: 27 sec.
First Copy Time (A4 Crosswise)	Colour: C2210: 11 sec. or less B/W: C2210: 7.5 sec. or less
Copy Speed (A4 Crosswise)	Colour: C2210: 22 ppm B/W: C2210: 22 ppm
Copy Magnification	Fixed Same Magnification: 1:1 ± 0.5% or less
Scaling Up	1:1, 154 / 1,224 / 1,414 / 2,000
Scaling Down	1:0.866 / 0.816 / 0.707 / 0.500
Preset	3 types
Zoom	25 - 400% (by 0.1%)
Lengthwise Crosswise Individual Settings	25 - 400% (by 0.1%)
Paper Capacity (80g/m <sup>2</sup> paper)	500 sheets (Tray 1), 500 sheets (Tray 2), 500/1,000/1,500 sheets (Tray 3 + Tray 4), 150 Sheets (Multiple Bypass Tray)
Paper Weight	Tray 1 - 4: 60 - 256 g/m <sup>2</sup> Multiple Bypass Tray: 60 - 271 g/m <sup>2</sup>
Multiple Copy	1 - 999 sheets
Auto Duplex	Type: Non-Slick Paper Size: Width/130-311mm (5" - 12" - 1/4"), Length / 148-457mm (5-3/4" - 18") Paper Weight: 64 - 256g/m <sup>2</sup>
Power Requirements	AC220 - 240V 8A (50/60Hz)
Max. Power Consumption	1.5kW or less
Dimensions [W] x [D] x [H]	643mm x 848mm x 770mm
Weight	Approx. 98kg

### Scanning Specifications (Standard)

Type	Full-Colour Scanner
Interface	10BASE-T/100BASE-TX/1000BASE-T
Driver	TWAIN Driver, HDD TWAIN Driver
Protocol	TCP/IP (FTP, SMB, SMTP)
Scanning Speed (A4 Crosswise 1 B/W / Colour)	70/70ppm (300dpi), 40/40ppm (600dpi)
Scanning Size	Max. A3
Output Format	Single TIFF, Multi TIFF, PDF, Compact PDF, JPEG page setting
Scanning Resolution	200dpi/300dpi/400dpi/600dpi

### Internet Fax Specifications (Standard)

Protocol	Send: SMTP, Receive: POP3, TCP/IP
Connection Mode	Full mode
Recording Paper Size	A3, B4, A4
Resolution	Colour: 400 x 400dpi, 600 x 600dpi Grey Scale: 200 x 100dpi, 200 x 200dpi
Interface	Ethernet (10BASE-T/100BASE-TX/1000BASE-T)
Colour	Support Colour Internet Fax
Format	Send: TIFF-S, Receive: TIFF-F Colour/Grey Scale: TIFF (RFC3949 Profile-C)

### Fax Specifications (Optional)

Communication	Super G3
Compatible Lines	Public Phone Line, Fax Communication Line
Line Density	G3: 8x3.85, 8x7.7, 8x15.4, 16x15.4 line/mm
Modem Speed	2.4kpps-33.6kpps
Compression	MH / MR / MMR / JBIG
Recording Paper Size	Max. A3 (Long Length Max. 1,000mm)
Transmission Speed	Less than 3 sec. (V.34, JBIG)
Scanning Speed (A4 Crosswise)	1.0 sec (A4 / detailed mode)
Memory	Shared with copier
Number of Abstr. Dials	2,000
Number of Program Dials	400
Number of Group Dials	100

### Printer Specifications (Standard)

Type	Embedded
CPU	C2210: MPC2633E 667MHz
Memory	2GB (shared w/ Engine)
Print Speed	Same as Continuous Copy Speed (When using the same original)
HDD	-
Print Resolution	1,800dpi equiv. x 600dpi
PDL	PCL 5e/c Emulation, PCL XL ver.2.1 Emulation, PostScript 3 Emulation
Protocol	TCP/IP, IPX/SPX (NDIS support), SMB (Net BEUI), LPD, IPP1.1, SNMP, HTTP, EtherTalk
Support OS	Windows NT4.0 SP6/2000, SP3/XP/64bit/Vista/Vista 64bit/Server 2003/Server 2008 64bit/Server 2008 64bit Mac OS 9.2X, 10.2, 10.4 Intel, Linux
Fonts	PCL: 80 European fonts PS: 137 European Type1 fonts
Interface	10BASE-T/100BASE-TX/1000BASE-T, USB1.1/2.0 USB Host (Co)

### Fleury Image Controller Specifications (Optional)

Type	Embedded Type
CPU	Intel Celeron M440 1.86GHz FSB 533MHz
Memory	512MB
HDD	80GB
Print Speed	Same as Continuous Copy (When using the same original)
Print Resolution	1800dpi equiv. x 600dpi
PDL	Adobe PostScript 3 (PDF v.1.7), "PCL (for Overseas)
Protocol	Ethernet (Appx Talk, TCP/IP), HTTP/HTTPS, SSL for HTTPS, SNMP, SMB, Port9100 (B-Directional), IPP, LDAP, AES256, IPv6 Phase1, SNMP v3
Support OS	Windows 2000/XP/64bit/2003 server/2003 server 64bit Vista/Vista 64bit/2008 server (utility only)/2008 server 64bit (utility only) Mac x 10.3.9, 10.4 or later, UNIX/Linux
Fonts	136
Interface	10BASE-T/100BASE-TX/1000BASE-T

# DOCUJET C2210

Ideal high-quality **COLOR** and low cost solution within your reach

- Smart communication
- Supreme security and management
- Significant productivity
- Neat Design

## About Dataproducts

Dataproducts is the valued partner for SMEs businesses as well as large corporations worldwide. At Dataproducts, we are committed to investing time, money and resources into creating alternative business models in the imaging industry. We believe we can provide a major impact within the ASEAN region that includes:

- The Dataproducts range of products
- The 'Green Business Solutions' of remanufactured imaging supplies
- The opportunity of working in partnership with Original Equipment Manufacturers (OEMs)

We are 100% committed to provide our customers and partners with the highest quality imaging products at the most competitive prices and world class services. Our vision is to provide customized printing solutions to every customer in the most cost effective manner without distracting productivity.

## DOCUJET C2210

The Dataproducts DocuJet C2210 is a powerful, highly advanced full-function network printer, copier, scanner and fax neatly designed to meet the needs of small or mid-sized offices. The multifunction capability makes perfect business sense as it delivers great operation in color function within your budget. It packs in perfect solutions - 'smart communication' which greatly enhances communication by handling connectivity, networking, sharing and management of various types of data and group resources; 'supreme security and management' which systems high-level user authorization in building an open and secure network environment that prevent information leakage; 'significant color productivity' which enables high-volume color output of 22ppm and varied paper compatibility documents production in one stop; 'neat design' which composed an appealing appearance of user-friendly eco design, low energy consumption and quiet operation to enhance business environment.

## The Technology: Superior Color Quality

- Dataproducts seeks advanced technologies to make the most of color MFP to cater for most businesses needs.

### DP High Density Toner

With DP HD toner, particles are small and well evened in shape, ensuring sharp reproduction of fine text as well as color uniformity. Resistance to fading and peeling is being optimized for longer-term document storage.

### Accurate Pantone Color Match

The DocuJet C2210 is able to support a pretty accurate pantone color matching print.

## The Production: Significant Document Management

- Smart management of business operation initiate outlay of productivity cost.

### High Color and Mono Scan Speed

The DocuJet C2210 ideally scans documents for businesses which require scanning of large varied office documents. System to being a part of low cost document management solution, it supports both color and mono scans within 70 ipm, one of the few considerably faster scan speeds within MFPs of the same range.

### Varied Document Size Compatibility

Documents of different sizes can be scanned and copied simultaneously without performing additional segregation of documents before scan or copy. The DocuJet C2210 is smartly system to scan and copy various documents sizes at one go when there are instances of document sets which you want to copy or scan are made up of several document sizes.

## The Communication: Streamline Document Sharing and Management

### Scan & Fax to Multiple Addresses with One Button

With only one scan operator, all scanned data can be simultaneously being sent out via e-mail or being sent to an FTP server as well as being sent to a particular PC folder. Apart from that, scanned data can even be stored in a 'User Box'. The 'User Box' stores standard 600 x 600 dpi RGB data documents in an integrated high-capacity hard disk (250GB). The 'Box' can be assigned to individuals, teams, departments or cases/campaigns for efficient work sharing.

### Compact & Outline PDF

The DocuJet C2210 also offers superior compression performance which manages to compress file size to about 50%. Moreover, the scanned PDF compressed file quality remains and it provides an outlining processing for characters to ensure a smooth image display.

### Paper Handling – Up to 271gsm

The DocuJet C2210 is able to print thick papers as well as art card up to 271gsm.

### Direct USB Scanning & Printing

Print documents directly from USB memory devices without using a PC.

### Odd sizes Paper Printing

Print odd sizes paper length up to 120cm (banner & poster printing).

## The Security: Supreme & Comprehensive

### Copy Protection

C2210 offers a selection of concealed security watermark that identify the printout as reprint.

### Hard Disk Encryption

It is system to perform prior to disposing or relocating the device. Random data is written over previous data on hard disk, making it completely unreadable.

### Secure Print

Send a print job by entering your password. Users need to enter the password at the machine control panel to release the document.

## The Value: Cost Effective Management

### Account Tracking

The DocuJet C2210 is capable to support additional account tracking features with no additional software required. In addition, the machine is able to support up to 1,000 accounts (individual or by departments) which can be registered for business management purposes.

### PC Fxing & Fax Forwarding

It enables documents to be faxed directly from the desktop. There is no need for print, which in other words, no hardcopy documents required during fax. This reduces paper wastage.

### IP Address Faxing

The machine has the ability to transmit data via the office intranet instead of local phone lines.
